

# 10-Year Annualized Returns

US Dimensional's funds relative to benchmark and Morningstar category

January 2003–December 2012

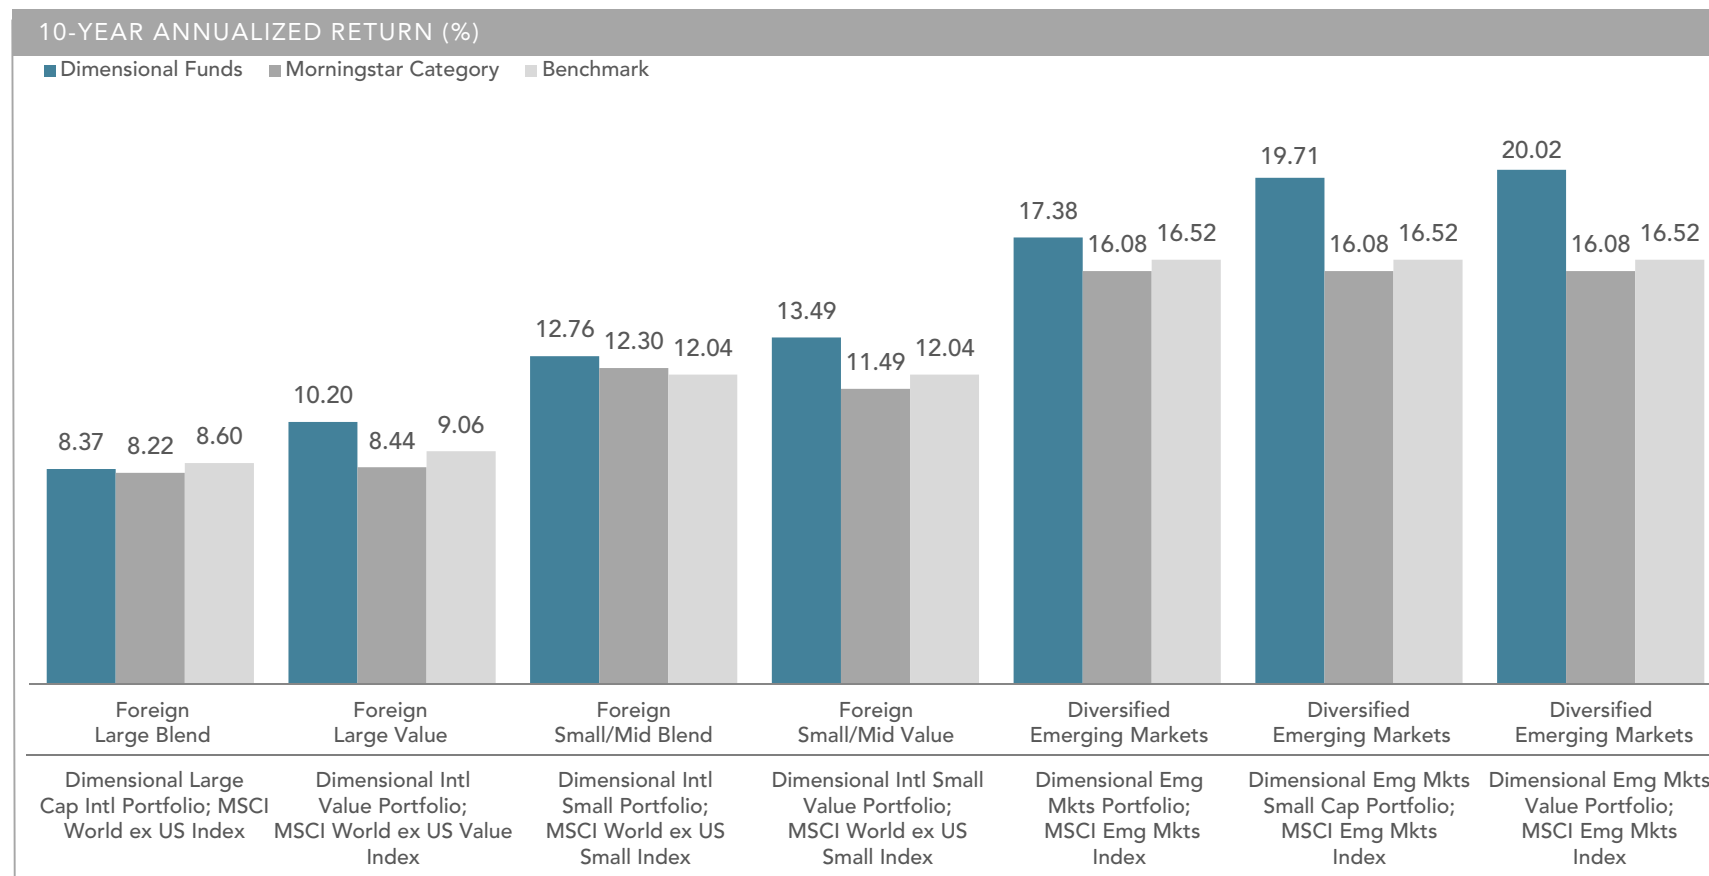

Performance data shown represents past performance and is no guarantee of future results. Current performance may be higher or lower than the performance shown. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. To obtain the most current month-end performance data, visit [www.dimensional.com](http://www.dimensional.com). Total number of funds ranked reflects oldest share class and funds reporting a 10-year annualized return for each respective Morningstar category. Only Dimensional Institutional (I) class funds were included in this analysis. The indices are not available for direct investment; therefore, their performance does not reflect the expenses associated with the management of an actual portfolio. See "Appendix: Standardized Performance Data & Disclosures" to obtain complete information on performance, investment objectives, risks, advisory fees, and expenses of Dimensional's funds.
